

Tartar Cagers Open Against Sentinels Tomorrow

Race Driver Still Critical After Crash

Still listed as critical yesterday at Southside Hospital was 28-year-old Bobby Ball, noted race driver who was injured on the first lap of the 100-lap National Championship Midget classic at Carrell Speedway Sunday afternoon.

Ball was rushed to the hospital following the crash where his injuries were diagnosed as a basal skull fracture.

The young driver was fifth in the Indianapolis 500-mile race in 1951.

Ball's machine and one driven by Andy Linden of Manhattan Beach, apparently hooked wheels. The machines rolled over and crashed into the wall on the first turn of the first lap in the featured contest at the track.

Linden was hospitalized with a bruised elbow and cut upper lip.

Allen Heath of Northridge went on to win the race after it was restarted. He nailed down a \$2000 purse plus part of the gate for the race.

Bees, Varsity Open Against Sentinels

Coach Rex Welch's Varsity hoopers will tip off in the Bay League scramble tomorrow night at Inglewood when they open the annual Donnybrook against one of the league's strongest teams.

The cagers have accumulated only a so-so record so far this season, and were on the short end of a thriller Tuesday afternoon when Narbonne held on to a one-point lead to win 56-55.

In the preliminaries, Coach Don Porter's Bees, suffered a similar fate when the Gauchos staled out the last two minutes of play with a one-point lead to win 43-42.

Forward Bob Moon led the Torrance scoring for the Varsity with 20 points. Game honors, however, went to Center Joe Hanson of the Gauchos, who tallied 27 points. Center Harold Holmes contributed 15 points to the Torrance total.

Torrance forward Bob Guerra led the Bee scoring with a total of 16 points. Jerry Harkins potted 13, and Don Forth rang up a total of 11.

Lomitan Now In Korea

Sgt. First Class Rudolf S. Padmos, whose wife, Eleanor, lives at 25711 Eshelman Ave., Lomita, is now serving in Korea with the Seventh Infantry Division.

The son of Mr. and Mrs. Frank Padmos, 25218 Weston Rd., Sgt. Padmos was employed here by Donk Aircraft before entering the Army in 1944. First stationed at Fort Knox, Ky., he has since been awarded the Good Conduct Medal.

The sergeant's division has seen action in every sector of the Korean fighting since making the amphibious landing at Inchon in the fall of 1950.

Drug in the finale. First game starts at 8:45 p.m.

The Class A League teams meet each Wednesday evening in the high school's new gymnasium. The Class B League teams play each Monday night in the girls' gym. Another month of play remains in the first round of games.

Thrillers Mark First Contests In Adult Loop

Allen's Burgers and Torrance Teachers opened play in the B league of the Adult Recreation basketball play here Monday evening and gave the fans a thriller from start to finish.

The two teams were tied at the end of each of the first three quarters, but Allen's came through to cop the game in the final minutes by a score of 32-30. A field goal by Larry Bryant and charity tosses by LeRoy Schwenck and Bob Hansen hit 20 points for the Teachers to garner individual scoring honors.

Torrance National Bank's quintet had an easy time of it downing Treskes Men's Shop, 32-19, in the second contest. The Treskes squad played a smooth floor game but had trouble finding the basket. Kenneth Miller led the scoring for the winners with nine points.

The Harvey Machine squad supplied a storybook finish to the evening by coming from behind in the last few seconds to slide by George's, 34-33. Center Dick Cowlishaw potted two quick lay-ins just before the final gun to sew up the game.

George's led, 26-20, at halftime. Cowlishaw's 17 points gave him high scoring honors for the contest. Captain Joe Setting sank 13 counters for the losers.

Coming up Monday evening at the High School are games between Treskes and Harvey, George's and Teachers, and Allen's and the Bank.

ARAMIS DANDROY
... Shoots for No. 1

Dandoy in Line for Trojan First String

Aramis Dandoy, former Torrance High star halfback, is the number one candidate for first string left halfback in USC's 1953 grid team.

Dandoy, only former local high school player to play in a Rose Bowl classic, was third string behind the great All-American Jim Sears and Rudy Buek—both of whom are graduating in June.

However, Dandoy can't coast into the berth since he will be pressured by sophomore Jim Decker, the great All-City halfback from San Pedro. Dandoy, a junior, was All-Bay League when he played for Torrance in 1950.

The former Tartar grid star got into the Rose Bowl contest last week as a substitute for Sears who was injured early in the game. Dandoy admitted last week that post game statistics were a little off in not indicating that on one of the five times he carried the ball he lost a yard.

Had to Run
"I was supposed to pitch a screen pass but the receivers were all covered so there was nothing to do but pack it up the middle. I was nailed about a yard short of the line of scrimmage," he told the Herald last week.

The statistics were correct in showing Dandoy attempting and completing three out of three passes. He carried the ball five times for an average gain of 3.6 yards per try.

Play in Adult Leagues Swing Into Action

Play in the Adult Recreation Department's Class A basketball League will swing into the second series of games on the Torrance High School courts next Wednesday evening with the Hot 'N Tot five meeting National in the opener. The first series of games last night were completed too late to be included in today's Herald.

The Redondo Eagles will take on Fenwick's Shoes in the second game next Wednesday and the All-Stars will test Benhur
